New

117.mc. (GP: Millage Calculation) For Fiscal Year 2023-2024, a municipality is allowed an additional and permanent adjustment to its general operating millage rate increase limitation for population growth, calculated pursuant to Section 6-1-320, for any increase that would have been allowed in Fiscal Year 2021-2022 but was not known because of the delayed release of the 2020 Census. This adjustment must be calculated using the July 1, 2020 census population estimates, as originally published based on the 2020 Census, instead of the July 1, 2019 population estimates based on the 2010 Census.
